

ViewSmart 6400 1600+ Sensor Life Indication

R.C. Systems Inc. offers a full range of Gas Detectors and Alarm Controllers

ViewSmart 1600+

Did you know that R.C. System's ViewSmart 6400 and 1600+ can display sensor life at the controller?

Its true! This feature is available when paired with our SenSmart 5000 and SenSmart 6000 gas detectors via Modbus or 4-20mA. All of the transmitters sensor life can be viewed from a single user friendly screen on the controller.

Sensor life is updated with each calibration for easy viewing.
